

Team Registration Package

Kachur's Golf Club – Prince Albert

Welcome to Diva for a Day 2018!

June 7th and 8th will be your time to get together with the ladies and enjoy some fun and relaxation out at beautiful Kachur's Golf Club. Please have one member of your team submit the entry fee and registration form. Early response is recommended, as the number of teams is limited. (Earlybird price until June 1st is \$500/ team After June 1st is \$600/ team)

Of course having a great caddie will enhance your diva experience so we are lining up a number of amazing caddies who will be there to make the day even better. Our live Caddie Auction is an exciting event not to miss! To help you win your favorite caddie you can use the Pledge Sheet or online pledging to help your team win the highest bid on your favorite caddie. Want to be the highest bidder on the caddie of your choice? You can ask your friends, peers, neighbours, family, co-workers or classmates to contribute, and anyone who pledges \$10 or more will receive a charitable tax receipt.

All proceeds from this event will help to support mentoring of children/youth in Prince Albert and that benefits the whole community. Research shows that every \$1 invested in Big Brother Big Sister programming has a social return of \$18, so your support will go a long way to helping to make a lasting positive impact in our community.

You deserve to be a Diva for a Day, and we hope you have a wonderful time at this year's tournament. If you have any questions or require more information please call 306 922-1299 or email natasha.thomson@bigbrothersbigsisters.ca

Thank you!

Big Brothers Big Sisters (BBBS) of Prince Albert facilitates life-changing relationships that empower children and youth to reach their potential.

We provide a variety of opportunities for volunteers to mentor in local schools and around the community. Our goal is to inspire young people and produce positive community outcomes.

Research shows children/youth benefit from being mentored through BBBS programs. Compared to their peers they are:

- * Less likely to skip school
- * Less likely to experience social anxiety
- * Less likely to bully, fight, lie or cheat at school
- * More likely to describe school as “fun” or “important”
- * More likely to graduate from high school
- * More likely to finish post-secondary education
- * More likely to hold leadership positions as adults
- * More likely to generate higher incomes in their careers
- * More likely to report having strong social networks as adults
- * More likely to become community donors and volunteers
